

Downloading ISS Conference App

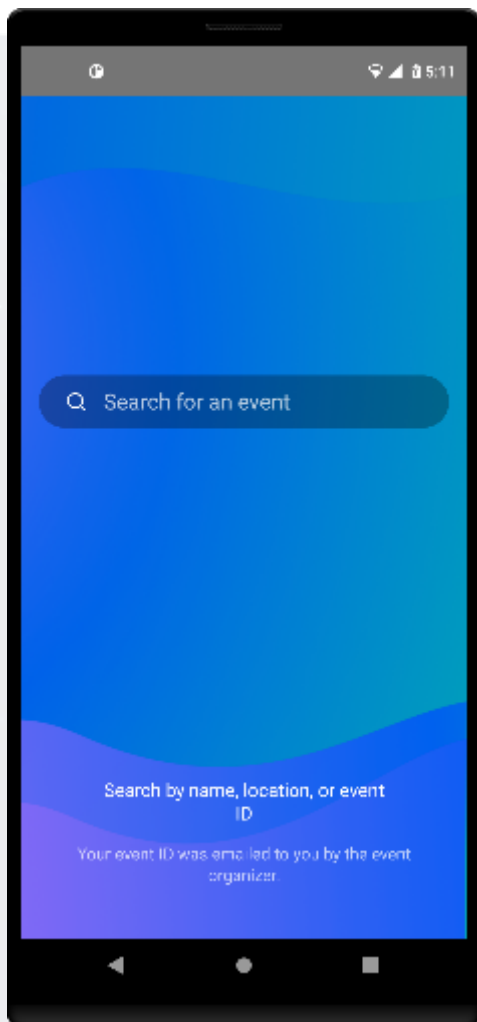

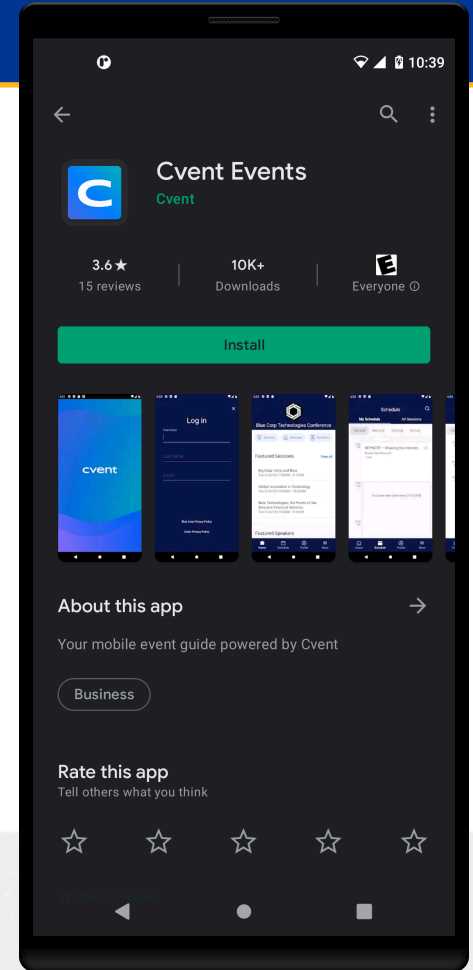

ISS App is *free and searchable*

First, download the “**Cvent Events**” app:

- **Apple iOS Devices** – [install the free Apple iOS App >>](#)
- **Android Devices** – [install the free Google Play App >>](#)

Once you’ve found the app, Select **Install**.

After installing, the **Cvent Events** app will appear on your home screen.

Find the ISS Event

- 1. Search the App:** Open the **Cvent Events** app and enter **37th** in the search bar.
- 2. Open the event:** Select **37th International Seating Symposium** and **Download** to open.

You can now access the **ISS** event!
